FACTSHEET

APPLICATION PHASE

In this phase you will be invited to complete an *Application to Purchase*, after which the site is reserved for you and access is granted for your site investigations, then contract negotiation begins.

Activities to be undertaken in this phase include:

1

Complete an *Application to Purchase* form with EDQ.

2

Receive a deed of licence and begin contract negotiation (principle terms) and contract execution (timeline: 3-6 months).

3

Enjoy access to the site so that your off-market site investigations can begin.

4

Undertake your pre-lodgement discussions with relevant authorities.
