

3

FACTSHEET CONTRACT PHASE

In this phase you will be entering into a binding Contract of Sale with milestones regarding seeking relevant approvals and establishing your connection agreement and Finance Investment Decision (FID).

Following final conditions, your contract will be settled and the buy-back covenant registered (if applicable).

Activities to be undertaken in this phase include:

- 1** Obtain relevant approvals.
- 2** Obtain secondary approvals, if required.
- 3** Attain connection agreement, Finance Investment Decision (FID), and reconfiguration of lot survey seal by EDQ.
- 4** Determine final conditions, including Board approval, Financial Decision and more.
- 5** Achieve settlement of your contract.
